## DAILY REPUBLICAN.

CONTRACTS LIST.

F. J. McDonald Will Do the Work for \$2,000.04.

A business meeting of the Deatur township highway commissioners and a special committee from the county board was held yesterday afternoon at the office of T. W. Clark Wallace to pass on bids submitted for building bridges in Deatur township.

Friday ended the old law in regard to the fees for issuing of corporation papers by the secretary of state. Saturday the new law goes into effect, by which a fee of \$25 each is charged instead of \$5.50.

Special From Frontland.

What a fine day for the people of the state. The people of the state are to have a new law.

There was a difference.

A well known skilled mechanic in Deatur remarked to a representative of the Republican yesterday: "You remember J. V. who was a boot and shoe dealer in O. I worked on the bench for him when he worked on the bench himself and had a stock, not all paid for, worth less than \$2,000. I am still working for him."

At Anderson's take your choice of 50 doz. handkerchiefs at 10c, worth up to 25c.

Onions, raspberries, red and black, on sale at Philip Kamper's grocery store, 707 North Water street.

For Rent—A house of seven rooms at 410 East William street. Apply to Robt. Farnie, 521 East Eldorado street.

Straw in at Towns & Murphy's grocery store, 163 South Water street, and select fresh country butter and eggs. Fruits in season.

All the talk in the world will not convince you so quickly as one trial of DeWitt's Witch Hazel Salve for sores, burns, bruises, skin afflictions and piles.

We guarantee DeWitt's Salve mixed pills equal to any point in the city. At Deatur's, corner of Water and William streets.

In a few days the street cars will be running out on North Edward street to the P. D. & R. track, half a mile north of the city limits.

JOHN YOUNG, at the REPUBLICAN office is the Deatur agent for the Remington typewriter. Call for catalogue and prices.

Use Shellbarger's WHITE LOAF FLOUR. It is the best.

We could not improve the quality if paid double the price. DeWitt's Witch Hazel Salve is the best Salve that experience can produce, or that money can buy.

You can buy a rattan baby buggy with steel wheels for \$3.50 at Bachman Bros. & Martin Co.'s special sale. ju28-dit

On July 4th the Citizens' Electric Street railway company cars carried about 24,000 people, on all divisions of the road. One half were transfers, and the other receipts were about \$500.

DeWitt's Witch Hazel Salve cures piles. DeWitt's Witch Hazel Salve cures piles. DeWitt's Witch Hazel Salve cures piles.

Why pay \$25 for a baby buggy, when you can buy one for \$15.00 at Bachman Bros. & Martin Co., equal to huggies sold by others at \$25? ju28-dit

This place to get a bargain in musical instruments, pianos or organs, and musical merchandise generally, is at the O. B. Francis music house on North Water street. Stop in and look at the fine display.

If you want the best piano buy the Ivers & Pond. The new styles, distance all competitors. Over one hundred musical and literary institutions are using them.

ELMER HILL, indicted for criminal assault at the Len Johnson place, was surrendered yesterday by his bondsmen and he is now behind the bars in the county jail. He was arrested at Clinton by officer Mathersburg.

The price of Deatur, WHITE LOAF FLOUR, The Blue Ribbon brand.

R. J. BERNER, the houseowner, will soon have the old Christian church building in shape to move out of the present site to the new site on North Edward street. A number of men are at work making preparations for the start.

A sort, fair skin is the result of pure blood and a healthy liver, to secure which, Ayer's Sarsaparilla is the Superior Medicine. Ladies who rely upon cosmetics to beautify their complexions should make a note of this bearing in mind that they can't improve upon nature.

Tree cutting and slashing of shade trees on North street has commenced, in order that the Christian church building may be moved out to Edward street. The new site is a good one. Two branches have been cut off of the big elm in front of the Presbyterian parsonage.

BURN GRASS CARRIAGE SHOP, on block east of Shellbarger's mill, Cerrito Grove street, has a fine line of Surveys, Buggies, Road and Spring Wagons. Do a general line of repairing, repainting, overhauling, etc. Come and see this line of new work and get rock bottom prices. ju28-dit

In Justice Shannon's court yesterday afternoon Leon White was tried by jury on two charges preferred by Justice Shannon. Leon was accused of having threatened to injure Oscar Boyles, and also with disorderly conduct. Leon was acquitted. O. G. Latham represented the defendant and L. E. Mille for the prosecution.

## WASHINGTON LETTER.

(From Our Regular Correspondent.)

It will be a long time before there is a change in the circumstances that led to the calling of the extra session of Congress for August 7, instead of a month or more later, as had for months been expected, got through talking about how Mr. Cleveland's nerve went to pieces and he got thoroughly "rattled," some of his admirers say for the first time in his life. His friends have tried hard to smooth over the "break" by giving out interviews in which they state that for ten days Mr. Cleveland had been thinking of calling the extra session in August. That is simply not true; only the day before the session was called he told a personal friend who was trying to persuade him to call an immediate extra session that he had fully made up his mind not to call it until September.

What caused the break? Why, the avalanche of petitions from all sections and from all classes of citizens, asking that Congress be called together at once, many of them, "thoroughly rattled," some of his admirers say for the first time in his life. ## PHILIP DRESENEN ACQUITTED.

Failure to Prove that Anna Simpson's Watch Was Stolen.

There was a hot trial in Justice Hammett's court this forenoon. It was the case of The People vs. Philip Drezenen, keeper of a saloon at the corner of North Broadway and Mason streets, charged in the warrant with having stolen a gold watch worth \$250 from Anna Simpson, a character well known to the police of the city. Some time ago it appears that Anna, who takes a nip now and then, was in one of the three wine rooms at the Drezenen place, and while there she lost her watch. It is said to be one of the finest timepieces in Decatur. The hands are of gold and the watch is studded with a small diamond. In her testimony Anna stated that on the evening in question she had taken two glasses of beer at Collins' place and had swallowed three beers and two glasses of whiskey at the Drezenen saloon. It was in evidence that the missing watch had been found a few days ago at the rear of the Drezenen place by Mrs. Mearney. It was partly hidden, in a rubbish. There was no evidence that the watch had been stolen, and Justice Hammett discharged the defendant. I. B. Mills appeared for the People and E. S. McDonald for the defendant.

## UNDER THE WHEELS.

Two Children Killed On the Railroad Track.

This forenoon near Springfield the east bound passenger train struck and killed a little girl. The child was sitting at the side of the track as the train approached. She got up presumably to get out of the way. As she arose she was struck on the head by the step of the mail car and instantly killed. The body was sent back to Springfield and the train came on through to Decatur. The name of the child could not be learned. Hugo Menzel, aged 4 years and 6 months, son of a miner of Lincoln, was out to pieces by a P. D. & E. excursion train at the east coal shaft Tuesday evening at Lincoln. It is thought that the child was asleep on the track. The 12-year-old daughter of Mrs. Riley Dean was run over by the Southwestern west bound limited at Pans last evening. The girl saved the life of her little brother, but in her effort her right leg was cut off at the hip and the left one was crushed. She died in one hour and a half after the accident.

## A Vigorous Kick.

Residents on Spring avenue register a vigorous kick against an alleged religious demonstration which occurred at the Antioch Baptist church last night, continuing until about the midnight hour.

It is related that there was a meeting of a business character at the church and that the doors were kept locked to prevent the admission of those not entitled to entrance. All of the windows were down and the discussion waxed so warm that the talkers awoke many people in the neighborhood who could get no more sleep until the meeting broke up. One party said that a woman in the house used one of the windows to get a good look at the speaker and shoot some of the potshots. The speaker has made an attempt to learn the cause of the racket but has failed to secure any satisfactory information.

## Bradshaw Caught.

Some months ago the presence of a Morrisville lady, Mrs. Bradshaw, in Decatur, looking for her transient husband, was noted in the REPUBLICAN. The lady had registered at the Hotel Brunswick and had told her story of woe to W. W. Mason, who then chief of police.

The sequel to the story is thus told in the Taylorville Courier of this week: Deputy Sheriff Britton arrived last night from Junction City Kan., having in charge W. H. Bradshaw, of Morrisville, who was then chief of police.

One Miss Ada Shivers and about \$1,000 of his wife's money. The charge against him is abduction. He was arraigned before Judge Hill and, waiting an examination, his bond was fixed at \$1,000, failing to give which, he was committed to jail.

## Trial Put Off.

Harriet and Alice Cooper, residing near Maftt street, in Riverside place, have been arrested on a state warrant sworn out by Valentine M. W. they charged with having threatened to burn a barn and kill a colt. The trial was to have been held in Justice Sherer's court to-day, but owing to the fact that State Attorney Mills was engaged in Hannes court the hearing was postponed until to-morrow at 1 p. m. Attorney C. C. Letorsee will appear for the defense.
